

Fall

Preview Day

Welcome to Western

We are delighted that you have decided to attend Western's Fall Preview Day. Today you have the opportunity to meet with professors, staff and students and learn why Western offers the best student experience among Canada's leading research-intensive universities.

You will get an in-depth look at your future academic program, our residences, the strong network of support services to help ensure your success, and our beautiful campus.

We hope you enjoy your visit!

Information Booth (University Community Centre Atrium)

- Assistance with planning your day
- Directions to sessions
- Connecting with tours
- Providing you with any other help you may require

Where to Eat

We have several dining halls and coffee shops to serve you during the day. Please note the recommended times and locations for you to take a break or dine.

Faculty of Arts and Humanities, Faculty of Science

10:30am – 2:30pm
Centre Spot, University Community Centre

Faculty of Engineering

10:00am – 4:00pm
Perth Hall, Residence Dining Hall

Faculty of Health Sciences

(Health Studies, Kinesiology, Nursing)
8:00am – 12:30pm
Tim Hortons, Arthur & Sonia Labatt Health Sciences Building

Faculty of Information & Media Studies, Don Wright Faculty of Music

10:00am – 4:00pm
Delaware Hall, Residence Dining Hall

Faculty of Social Science

10:00am – 4:00pm
Saugeen-Maitland Hall, Residence Dining Hall

Available For All

8:00am – 7:00pm
Tim Hortons,
University Community Centre

8:00am – 2:00pm
Tim Hortons,
Social Science Building

9:00am – 5:30pm
Einstein's Cafe, Natural Sciences Centre

9:00am – 1:00pm
Tim Hortons, North Campus Building

10:30am – 2:30pm
Centre Spot,
University Community Centre

Plan Your Day

It's a good idea to spend some time with this program and plan your day. Although many sessions are repeated, some are only offered once.

Academic Program Sessions

Follow the coloured flags on campus that correspond to your faculty program colour.

Faculty of Arts and Humanities

Visit us in University College and the John Labatt Visual Arts Centre. The Faculty of Arts and Humanities includes the following departments: Classical Studies, English, Film Studies, French Studies, Modern Languages and Literatures, Philosophy, Visual Arts, Women's Studies and Feminist Research and programs in Linguistics and Writing. Complete your day with a visit to the John Labatt Visual Arts Centre, home to an extensive gallery space for student art exhibits.

Welcome Centre - Refreshments will be served

8:30am - 3:00pm

Main entrance, University College

Departmental Information Displays

8:30am - 3:00pm

Rooms 224, 224A, 225, 225A, University College, Second Floor

Department Facility Tours/Demonstrations

8:30am - 2:00pm

Room 188, Language Lab University College

9:30am - 2:30pm

Room 33, Film Editing Suites University College

9:30am - 2:30pm

Rooms 83 and 84, Film Screenings University College

Faculty Welcome and Overview

10:00am - 10:30am or **1:00pm - 1:30pm**

Room 224, Conron Hall University College, Second Floor

Academic Counsellor Presentations

11:00am or **11:30am** or **2:00pm**

Room 220, University College

A review of Arts and Humanities program options.

John Labatt Visual Arts Centre

9:30am - 2:30pm

Visual Arts displays and self-guided tours.

11:00am or **12:00pm** or **2:00pm**

Guided Tours of the John Labatt Visual Arts Centre

Faculty of Engineering

When you visit Western Engineering you will experience Engineering Plus - a term used to define Western Engineering's huge array of programs, opportunities, and options. The Dean and Associate Dean will be on hand to introduce you to Western's Engineering programs. You will have the opportunity to speak directly with current students, faculty members and staff about the many opportunities available to you. You will get an in-depth look into Western's nine core, design-based programs: Chemical, Civil, Computer, Electrical, Green Process, Integrated, Mechanical, Mechatronic Systems and Software Engineering. You will have the opportunity to tour labs, see student displays, clubs, projects and organizations, and learn about program options such as co-op and internship, dual degrees with Business, Medicine, Law, the accelerated master's program, certificate programs, international exchange, and student activities. We look forward to welcoming you to Western Engineering.

Registration, Information and Welcome Centre

9:00am - 3:00pm

Front Foyer, Claudette MacKay-Lassonde Pavilion

Faculty Welcome and Presentation

9:30am - 10:30am or **11:30am - 12:30pm**

Room 1059, Spencer Engineering Building

Join the Dean, Associate Dean, Academic Counsellors, Career Services Coordinator and a current student for a Western Engineering overview.

Department Displays and Program Information

9:00am - 3:00pm

Atrium/Lounge, Claudette MacKay-Lassonde Pavilion

All departments will be represented. Visit program displays and talk to faculty members, Academic Counsellors, the Career Services Coordinator and students to have all of your questions answered about Western Engineering!

Student Projects, Clubs and Organizations

9:00am - 3:00pm

Atrium/Lounge, Claudette MacKay-Lassonde Pavilion

Women in Engineering, Undergraduate Engineering Society Engineers without Borders, WEbots, WE Concrete Canoe Association, Western Engineering Toboggan Team, Ontario Engineering Competition, UWO Formula Racing Team.

Guided and Self-Guided Tours of Department and Program Areas including:

9:00am - 3:00pm

- **Chemical & Biochemical Engineering**
Room 454, Thompson Engineering Building
- **Civil & Environmental Engineering**
Rooms 15 & 22, Spencer Engineering Building
- **Electrical, Computer & Software Engineering**
Room 3102, Spencer Engineering Building
- **Mechanical & Materials Engineering**
Rooms 37, 1068, 1074, 1076 & 1077
Spencer Engineering Building
- **Engineering Computer Labs**
Room 1010, Spencer Engineering Building

Faculty of Health Sciences

The Faculty of Health Sciences is a dynamic and exciting Faculty comprised of six Schools - Communication Sciences and Disorders (Audiology; Speech-Language Pathology), Health Studies, Kinesiology, Nursing, Occupational Therapy, and Physical Therapy - and the interdisciplinary Graduate Program in Health & Rehabilitation Sciences.

Information Displays and Drop-in Centre

8:30am - 1:00pm

Main Lobby, Arthur & Sonia Labatt Health Sciences Building

Presentation: Welcome and Faculty Overview

9:30am - 10:00am

Room 40, Arthur & Sonia Labatt Health Sciences Building

Graduate/Professional Program Information Displays

10:15am - 1:00pm

Lobby, Second Floor, Arthur & Sonia Labatt Health Sciences Building

Speak to representatives from our programs in Audiology, Occupational Therapy, Physical Therapy, and Speech-Language Pathology.

Building Facility Tours/Demonstrations (self-guided)

10:15am - 1:00pm

Each of these research/teaching facilities have their doors open for visitors to speak with faculty members and undergraduate/graduate students and/or participate in demonstrations.

Faculty of Health Sciences Students' Council

Room 8, Arthur & Sonia Labatt Health Sciences Building

Aging & Community Health Research Lab

Room 316, Arthur & Sonia Labatt Health Sciences Building

International Centre for Olympic Studies

Room 317, Arthur & Sonia Labatt Health Sciences Building

3D Anatomarium

Room 322, Arthur & Sonia Labatt Health Sciences Building

Laboratory for Brain and Heart Health

Room 402, Arthur & Sonia Labatt Health Sciences Building
Research undertaken in this lab will look at the brain-heart connection (BHC).

Nursing Clinical Education Suite

11:30am - 1:00pm

Room 306, Arthur & Sonia Labatt Health Sciences Building

School of Health Studies

School of Health Studies Information Session

10:15am - 11:00am

Room 40, Arthur & Sonia Labatt Health Sciences Building

Student Panel: Faculty of Health Sciences Students' Council

11:15am - 12:00pm

Room 35, Arthur & Sonia Labatt Health Sciences Building

Find out what it's like to study in the Faculty from the students who are doing it right now.

School of Kinesiology

Student Panel: Faculty of Health Sciences Students' Council

10:15am - 11:00am

Room 35, Arthur & Sonia Labatt Health Sciences Building

Find out what it's like to study in the Faculty from the students who are doing it right now.

School of Kinesiology Information Session

11:15am - 12:00pm

Room 40, Arthur & Sonia Labatt Health Sciences Building

Arthur Labatt Family School of Nursing

Information Session

10:15am - 11:00am

Room 236/240, Arthur & Sonia Labatt Health Sciences Building

Demonstrations: Simulated Clinical Education Suite

11:00am - 11:30am

Room 306, Arthur & Sonia Labatt Health Sciences Building

Faculty of Information & Media Studies

Undergraduate Programs in Media, Information & Technoculture (MIT), Media Theory & Production (MTP), and Media and the Public Interest (MPI).

Welcome to FIMS

9:30am - 11:00am

First Floor, North Campus Building

Chat with our talented and creative student ambassadors in a relaxed and informal setting. Representatives from various media outlets will be on hand to introduce you to volunteer opportunities of interest to FIMS students.

Special Presentations

Richard Ivey School of Business

Attend information sessions and tours. The information sessions will focus on the HBA Program, the Advanced Entry Opportunity (AEO - conditional admission from high school), admission requirements, concurrent degrees, special themes, and student life.

10:00am - 11:00am or

12:00pm - 1:00pm or

2:00pm - 3:00pm

Room 1R40, Richard Ivey School of Business

Schulich School of Medicine & Dentistry (including the Bachelor of Medical Sciences Program)

The Schulich School of Medicine & Dentistry invites you to attend an information session on Medicine, Dentistry and the Bachelor of Medical Sciences Program (a combined program offered by the Faculty of Science and the Schulich School of Medicine & Dentistry which leads to a Bachelor degree in Basic Medical Sciences).

10:30am - 11:15am or **12:30pm - 1:15pm**

Room 145, Natural Sciences Centre

Faculty of Law

Find out more about the Faculty of Law, the admission requirements, special academic and practical programs and career opportunities.

11:00am - 11:45am

Council Chambers, University Community Centre

Faculty of Education

Find out more about our admission requirements for the Faculty of Education and the opportunities available to its students.

2:00pm - 2:45pm

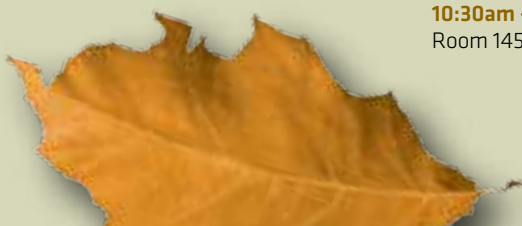

Council Chambers, University Community Centre

Indigenous Services

Indigenous Services invites you to attend an information session on the unique services and programs offered which provide cultural support to Indigenous Students. Indigenous Services will highlight the Access Transition Program which leads to Bachelor degrees in Arts, Science, and Health Studies.

10:00am - 10:45am

Indigenous Services, Room 2100, Second floor of the Western Student Services Building

You are welcome to attend any session that is of interest to you. If an information session happens to be full but is offered at a different time, we suggest taking part in one of the many alternate activities and returning to the later session.

Internship Program

9:45am – 10:15am or **12:15pm – 12:45pm**

Room 114, North Campus Building
Join our Internship Coordinator in exploring Internship opportunities available to FIMS students.

The FIMS Student Experience

10:20am – 10:50am or **12:15pm – 12:45pm**

Room 117, North Campus Building
Current students in the Faculty will give an overview of their experiences in their program and life at Western. The panelists will also welcome questions as part of these sessions.

Mini Lecture

10:20am – 10:50am or **12:50pm – 1:20pm**

Room 113, North Campus Building
Experience a 'mini-lecture' with one of our dynamic MIT professors.

Information Session

11:00am – 12:00pm

Room 101, Anne & Bill McKenzie Amphitheatre, North Campus Building
The Associate Dean of the Faculty of Information & Media Studies will present an overview of the undergraduate programs and the opportunities that are available to students.

Don Wright Faculty of Music

At the Faculty of Music, you will have an opportunity to meet with faculty, staff, and students as well as tour the superior facilities and take in some live music.

Welcome Centre

9:00am – 10:00am or **11:30am – 12:00pm**

Atrium, Talbot College

Tours will depart frequently.

Information Session about Programs and Audition Process/Requirements

10:00am – 11:30am

Paul Davenport Theatre, Talbot College
Admissions staff, Faculty members and Students' Council representatives will be on hand to answer questions after the presentation.

Popular Music Studies Session – “From Idea to iPod: Writing, Recording, and Marketing”

11:30am – 3:00pm

IMC Lab (Room 120E), North Campus Building

Voice Studies Information Session

1:00pm

Room 141, Talbot College

UWO Chamber Orchestra

12:00pm – 12:40pm

Von Kuster Hall, Music Building

The UWO Chamber Orchestra will hold an open rehearsal. Prospective students can observe and speak with the conductor and members of the chamber orchestra.

Musica Quinta Concert

1:00pm – 1:40pm

Room 104, Music Building

The UWO Faculty Brass Quintet will perform a mini recital followed by some short master classes for all brass players.

DWFOM Flute Ensemble

1:00pm – 2:30pm

Room 102, Music Building

Flutists and flute enthusiasts are welcome to participate in a demonstration workshop on ensemble playing in a flute choir.

Faculty of Science and the Faculty of Science/Schulich School of Medicine & Dentistry (Bachelor of Medical Sciences Program)

Departments in the Faculty of Science are: Applied Mathematics, Biology, Chemistry, Computer Science, Earth Sciences, Mathematics, Physics and Astronomy, and Statistics and Actuarial Science. The Bachelor of Medical Sciences (BMSc) is a joint program offered by the Faculty of Science and The Schulich School of Medicine & Dentistry. Areas of study include: Anatomy & Cell Biology, Biochemistry, Medical Biophysics, Microbiology & Immunology, Pathology, and Physiology and Pharmacology. The BMSc program provides high quality education in the basic medical sciences in preparation for employment, graduate studies and professional schools.

Welcome Centre

9:00am – 2:30pm

Main Lobby, Natural Sciences Centre

Presentation: Welcome and Overview (Science and BMSc)

9:30am – 10:15am or **11:30am – 12:15pm**

Room 145, Natural Sciences Centre

Schulich School of Medicine & Dentistry/BMSc Program Presentations

10:30am – 11:15am or **12:30pm – 1:15pm**

Room 145, Natural Sciences Centre

Student Panel

11:30am – 12:15pm or **1:30pm – 2:15pm**

Room 1, Natural Sciences Centre

Panelists will take questions and present their views of programs and life on campus.

Biology – Virtual Lab

1:00pm – 2:00pm or **2:00pm – 3:00pm**

Room 105, North Campus Building

Departmental Displays (Sciences and Basic Medical Sciences)

9:00am – 3:00pm

Material Sciences Addition

Each departmental area will have displays running continuously throughout the day, giving visitors a chance to talk about modules and programs with faculty, staff and graduate students.

Visit the Faculty of Science and BMSc program booths. Take the opportunity to speak to an academic counsellor and representatives from the BMSc program about module and degree options. Talk to representatives from our Science/BMSc Internship Program about an exciting alternative to co-op education.

Faculty of Social Science

The Faculty of Social Science includes academic programs in American Studies, Anthropology, Aubrey Dan Program in Management and Organizational Studies, Criminology, Economics, First Nations Studies, Geography, History, International Relations, Latin American Studies, Linguistics, Political Science, Psychology, Sociology, and Women's Studies and Feminist Research.

Social Science Department & Program Information Booths

9:00am – 2:00pm

Main Lobby, Social Science Centre

Social Science at Western – Information Session

9:15am – 9:45am

Room 2050, Social Science Centre

Learn about the various Social Science programs available to you.

Mini-Lecture: “Canada’s Economic Headwinds”

10:00am – 10:30am

Room 2032, Social Science Centre

Professor Michael Parkin, Department of Economics

Mini-Lecture: “Why Occupy Wall Street?”

10:30am – 11:00am

Room 2028, Social Science Centre

Professor Charles Jones, Chair, Department of Political Science

Mini-Lecture: “In Western’s Backyard: The Archaeology of Southwestern Ontario”

11:00am – 11:30am

Room 2032, Social Science Centre

Professor Neal Ferris, Department of Anthropology

Mini-Lecture: “What do Police Investigators really think about CSI?”

11:30am – 12:00pm

Room 2028, Social Science Centre

Professor Laura Huey, Department of Sociology

Overview of the Aubrey Dan Program in Management and Organizational Studies

11:15am – 12:00pm

Room 2050, Social Science Centre

Learn about this unique and exciting interdisciplinary business program.

Student Panel: Student Life in Social Science - Inside & Outside the Classroom

12:15pm – 1:00pm

Room 2050, Social Science Centre

This interactive student panel will provide an opportunity to connect with, and ask questions of, current Social Science students. Popular topics are academic programs, residence, extracurricular activities and study habits.

Social Science Career Services - Planning Resources

1:15pm – 1:45pm

Room 2050, Social Science Centre

Join our Social Science Career Counsellor in exploring the value of a Social Science education in future career success.

Information Session for International Students

We know how difficult it can be to choose a university, especially one that is far from home, and we would like to help you with this important decision. Our friendly staff will provide information on life in London, Ontario and at Western. You will also learn about campus facilities, residence options, fees, scholarships, admissions requirements, academic programs, as well as various support services. Come chat with current Western international students and hear what they have to say about “the best student experience” in Canada.

12:00pm – 12:45pm

Council Chambers, University Community Centre

Housing

Discover all the exciting things that residence life at Western has to offer. Learn how living in residence can provide students with an academic edge and the opportunity for great personal learning and development. Find out how students can get involved in their residence communities and develop leadership and life skills as well as enhance their lives in and out of future workplaces. Gain valuable insight into the management of facilities, safety features, support services and “outside the classroom” education and programs available in all of our residences, as well as learn about Western’s very flexible meal plans.

11:00am – 11:45am or **2:00pm – 2:45pm**

McKellar Room, University Community Centre

Scholar’s Programs

The Western Scholar’s Programs are exciting options for students who wish to bring their exceptional academic skills to The University of Western Ontario. The programs provide opportunities for outstanding students to learn and grow as both students and global citizens in an engaging, enriching and inspiring environment. Through these programs students are recognized as high achievers and are provided opportunities to engage in diverse activities to enrich their university experiences.

1:00pm – 1:45pm

Council Chambers, University Community Centre

Student Financial Services

Join staff from Student Financial Services and the Office of the Registrar to hear general information regarding entrance scholarships and financial aid.

1:00pm – 1:45pm

McKellar Room, University Community Centre

The University Community Centre Drop-In Centre

Stop in and speak directly with students and staff who provide some of the helpful programs and services available at Western.

9:00am – 3:30pm

Tours

Please join us on any of the following tours. No additional signup is required. All have departures throughout the day at the times and locations detailed below.

Campus Bus Tours

9:00am to 4:00pm

Various Campus Bus Tour Stops

If you are interested in seeing our campus from corner to corner, we recommend that you join us for a guided bus tour! Buses will be leaving regularly from the designated stops around the campus and provide you with an opportunity to become acquainted with Western's surroundings. All buses are staffed by a Campus Tour Guide who is prepared to discuss specific faculty buildings, areas of research, on- and off-campus housing, recreation and athletic facilities, the City of London and more!

You may stay on the bus for a complete tour, lasting approximately 45 minutes, or you can hop on and off the bus at your leisure and visit the faculty buildings, University Community Centre or any of the residences on our route that are open for the day. If you choose to get off the bus along the route, another bus will

be around shortly to pick you up again. Buses can also drop you off near your parking lot at the end of the day.

Campus Walking Tours

9:00am to 3:00pm

Atrium, University Community Centre

Allow one of our knowledgeable student guides to take you on a walking tour of campus! Get a feeling of what life is really like as a Western student while taking in the beautiful campus landscape and buildings. Tours will be departing from the Tour Booth in the University Community Centre Atrium on the hour and the half hour. Each tour will last approximately 30 – 45 minutes.

Residence Tours

9:00am to 4:00pm

Lobby, Six First-Year Residences

Western has eight residences available to incoming first-year students. We have opened six of these residences for you to tour:

Delaware Hall, Elgin Hall, Essex Hall, London Hall, Perth Hall, and Saugeen-Maitland Hall. Our residents look forward to showing you around their residence homes. These tours will give you a chance to learn about the facilities and support staff, and the

various programs that exist in each community.

You will be able to see the student bedrooms, dining halls and washroom facilities for yourself. A residence tour will last approximately 20 minutes. For additional information, please note the Housing session located in the 'Special Presentations' section of this program guide.

Western Student Recreation Centre Tours

9:00 am to 4:00 pm

Lobby, Western Student Recreation Centre

The Western Student Recreation Centre is home to Campus Recreation. Friendly and knowledgeable student staff are eager to provide you with tours of this amazing facility, with close to 160,000 square feet of space over four floors. Tours will last approximately 30 minutes and give you a chance to learn about the facilities, programs, and services that Campus Recreation operates in the centre.

I am parked in lot:

Campus Bus Tour Stops

Our tour buses stop at several key areas throughout the day. Buildings of particular interest are noted for each stop. The corresponding numbers appear on the campus map below.

1) University Community Centre
